COMMUNITY CRIME PREVENTION MEETING

Preventing Auto Theft

**Wednesday
February 18, 2004
7:00 p.m.**

**Long Beach Water Department
1800 East Wardlow Road
(west of Cherry)**

Auto theft is on the rise throughout Long Beach, and to combat this growing crime the Long Beach Police Department, in conjunction with the Neighborhood Services Bureau, will introduce the Auto Theft Reduction Program. This program is designed to educate the public on preventing auto theft, and will provide residents of the target area with free steering wheel locks. *To qualify for the free lock, you must be a vehicle owner, and live within Beat 11, which is bound by Pacific Coast Highway to 7th Street, and Cherry Avenue to Redondo Avenue. A driver's license and registration are required.* Residents who do not reside in Beat 11 will also benefit from this informative presentation and the free crime prevention materials provided.

If you reside in Beat 11 and qualify for the free lock but are unable to attend, please contact PSA Kym Cloughesy at (562) 570-5808.

**For additional information contact the
Long Beach Police Department's
Community Relations Division at (562) 570-7215**
